Teachers Feedback on Curriculum

Academic Year 2020-21

Faculty: Arts

Analysis of received feedback from Teachers-

Quality sustenance is the focus of the teaching faculty .For further enhancement of the curriculum questionnaire was structured as a mechanism commencing with obtaining feedback from teachers through a structured rating based feedback form, for continuous improvement in curriculum development and enrichment. It was observed that more that 90% of the teachers agreed that curriculum is structured, comprehensive, and relevant and arranged properly.

It is effective in enhancing team-work as well as developing analytical and problem solving skills. Curriculum is enhancing constructive learning and effective in developing ICT & communication skills. It has also relevance to real life situations, reflects current trends and practices in the respective disciplines. 75% of the teachers agreed that the curriculum has good balance between theory and practical as very good. The depth of the syllabus of the courses in relation to the competencies expected by industries, offices in current global scenarios is adequate. Only few teachers rated average and were of opinion that extra learning syllabus should be included in the curriculum to encourage self- learning amongst students.
