

Dr. D.Y.Patil Arts, Commerce & Science College, Pimpri, Pune
Department of Psychology
Counselling Cell
2016-2017
Report

Title of the Activity: Counselling .

Where: Department of Psychology, Dr. D.Y. Patil Arts, Commerce & Science College, Pimpri.

Description: The Department of Psychology has conducted different psychological tests in its counselling sessions for students, staff members and relatives. Psychological tests like different aptitude scales, personality scales, attitude scales, intelligence scales and scales on conflicting thoughts are usually conducted. Issues like family problems, academic problem, adjustment problems and career guidance were resolved in counselling sessions. On an average it took 2-3 sessions for each student. All the counselling sessions and testing procedures were done under the guidance of the Head and the in-charge of the counselling cell, Dr. Gauri Kadam . Many students have benefited by it.
