Title of the Activity: Counselling .

Where: Department of Psychology, Dr. D.Y.Patil Arts, Commerce & Science College, Pimpri.

Description: The Department of Psychology organizes different activities every year. This year also, we have conducted different psychological tests and counselling sessions for its students. Psychological tests on aptitude, personality, attitude, intelligence, anxiety issues and on conflicting thoughts are usually conducted. Issues like family problems, academic problem, adjustment problems and career guidance were resolved in counselling sessions. All the counselling sessions and testing procedures were done under the guidance of the head of the department and in-charge of the counselling cell, Dr. Gauri Kadam . Many students and staffs have benefited by it.
