About Pune

Pune is the second-largest city in the State of Maharashtra. The city stands bordered by the majestic ranges of the Sahyadri Mountain. The moderate weather as well as the presence of rich flora and fauna of the city makes it an ideal travel destination. It has been known by a plethora of sobriquet, popular among them are 'Queen of Deccan', 'Cultural Capital of Maharashtra', and 'Oxford of the East'. Besides, it is surrounded by lush green vegetation and also has the greenest urban areas in the country with more than 40 percent of its area under green cover.

Pune is the ninth populous city, however, one of the top 10 "Most Developed Cities" in India in terms of 2016 GDP contribution. Moreover, one of the fastest-growing cities in the Asia Pacific region. On top of it, the strong presence in the automobile sector and is on its way to consolidating its position as the 'Detroit of India'. Once described as 'Pensioner's Paradise' it has now become the home of many software and IT company's hubs. In Pune, the past meets the present. It is one of those rare cities with a twin image: from the tradition-bound place - generally considered the epicentre and quintessence of Maharashtrian culture and that of a modern industrial metropolis.

About Us:

Dr D. Y. Patil Arts, Commerce, & Science College was established in the year 1995 and it is a distinguished degree college affiliated to the Savitribai Phule Pune University. Sheltered in huge well-architecture premises along with multiple institutes, the college has a unique academic atmosphere chiefly characterized by interdisciplinary, scholarly interaction and healthy competitive spirit and enthusiasm to excel in various curricular activities. The college has been accredited by the NAAC with an 'A' Grade. Moreover, recipient of the 'Best College Award by Savitribai Phule Pune University, the college also ranked in 101 to 150 Band by the NIRF.

The Unitech's Complex in Pune houses many prestigious institutions and colleges, imparting knowledge and learning in various disciplines to meet the global challenges of 21 century. Within a very short span of time, the college has gained recognition for preparing and grooming the students at the under-graduate and post-graduate level into academically meritorious students and professionally efficient scholars. The highly qualified staff, well-equipped laboratories and well-stocked library in the college premises have yielded positive and encouraging results in enabling the students to excel in academics as well as extra-curricular activities.

Vision:

To be a national model of academic excellence aspiring for promoting advanced knowledge, highest morals & values for the well-being of the society.

Mission:

To provide a traditional, conventional and innovative educational environment for creating global competencies and to bring awareness of our rich and varied heritage to develop social responsibility amongst the students from all backgrounds.

Aims and Objectives:

- To provide opportunities for education and skills through varied branches of knowledge of Arts, Commerce, and Science.
- To enhance the employability of the students through an innovative educational environment.
- To enable students to develop a sense of culture and morality. To develop a spirit of social commitment.
- To give an edge to the global competence of the students through well-equipped infrastructure and technology-based education.
- To encourage students to exhibit their artistic talent & skills through extra-curricular activities.
